

LEARN ABOUT DRONES

Presented by ECPL, Loiter East Cleveland, and the North Coast Drone Alliance

Join us for a three-part program where you'll learn all about drones. What they are, how they work, how (and where) to fly safely and legally, and how you can get started. Each session will include a mix of discussion and hands-on activities. We'll explore options for flying for fun, and the wide variety of jobs in the drone industry. If you're new to drones, interested in starting a drone business, or just want to increase your knowledge, you should join us for this great free program.

<https://www.eastclevelandpubliclibrary.org>

<https://norcoda.org>

<https://loiter.us>

We will have drones to use, or you can bring your own.

*July 16
Session 1:
What is a Drone?*

*July 23
Session 2:
Drones for Fun*

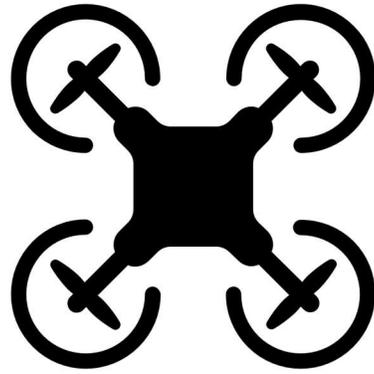

*July 30
Session 3:
Drones for Work*

*Three Saturdays this
Summer, 12:30pm*

LOCATION

**East Cleveland
Public Library**

14101 Euclid Avenue
East Cleveland, OH 44112
